Dear Black Bear Lake Counselor,

If you will not be 18 years of age prior to the first day of camp, you must submit blank working papers with your signed job statement. You can obtain a set of blank working papers from your school guidance office. When we receive your working papers, we will complete our section and return them to you with further instructions. If you have working papers from another job, we cannot use them. Each job must have its own set of working papers. If you worked here last year, you still must get a new set of working papers.

We understand that this is a first job for most of our counselors – many of you have been past campers. Please remember that it is your responsibility to return camp paperwork. ***In order to avoid confusion, we prefer to communicate directly with our employees (rather than their parents).*** If you have any questions, you can either call or e-mail us anytime.

Enjoy the rest of the school year!

Regards,

Kristina Piech  
Director of Staffing
